THE COMMUNITY CHEST

Stock Code Balloting for Charity Scheme 2017/18

The Community Chest of Hong Kong was established in 1968 as an independent, non-profit making organisation neither funded, nor operated by the Government. Each year, the Chest organises fund-raising events to benefit 162 member social welfare agencies that reach out to more than two million beneficiaries in Hong Kong in various areas of services including children & youth, elderly, family & child welfare, medical & health, rehabilitation & aftercare, and community development.

The Community Chest expresses its sincerest gratitude to Hong Kong Exchanges and Clearing Limited for providing the fundraising platform, Stock Code Balloting for Charity Scheme, which encourages companies to support the community on the occasion of their public listing in Hong Kong. Nearly HK$880 million has been raised through the Scheme since its launch in 1999. The Community Chest is thankful for the following organisations for their generous contribution to this scheme in the 2017/18 campaign year (1 April 2017 to 31 March 2018) and raised over HK$80 million to support the needy.
