

Greening for the Chest 2019-2020

School Activities

🍃 Cleaning for Charity

Participating schools or teams may choose any date between November 2019 and February 2020 to organise activities at the cleaning sites suggested by the schools themselves. Students can also support the event by cleaning in schools, homes, elderly homes or even in the community and solicit donations from principals, teachers, parents and relatives.

🍃 Hiking for Charity

Participating schools or teams can choose a suitable hiking route according to the preference and health condition. Interested schools can refer and download the hiking routes at the website “[Enjoy Hiking](#)” of Agriculture, Fisheries and Conservation Department (AFCD).

🍃 Greening Acts for Charity

Participating schools can organise other creative “Green” activities to raise funds, such as Recycling Fashion Design Competition; Charity Sales of Organic Vegetables and Fruits; Charity Book Fair or Charity Sales of Eco-friendly soap or cleansers.

🍃 Charity Plant Sale

Charity Plant Sale is to raise funds by selling potted plants. CYC member schools can either plant the flower seedlings which provided by the Community Chest or produce paper/silk flowers for charity sale. This activity will be co-ordinated by Community Youth Club District Executive Committees.
