

# Greening for the Chest 2016-2017

## School Activities

### 🍃 Cleaning for Charity

Participating schools or teams may choose any date between November 2016 and February 2017 to organise activities at the **cleaning sites** recommended by The Community Chest or suggested by the schools themselves. Cleaning areas could be in schools, elderly homes or even in the community. Students can also support the event by cleaning their home and solicit donations from principals, teachers, parents and relatives.

### 🍃 Hiking for Charity

Participating schools or teams can choose a suitable hiking route according to the preference and health consideration. Interested schools can refer and download the hiking routes at the website of Agriculture, Fisheries and Conservation Department (AFCD): <http://www.hiking.gov.hk/eng/index.htm>

### 🍃 Greening Acts for Charity

Participating schools can organize other creative “Green” activities to raise funds, such as Recycling Fashion Design Competition; Charity Sales of Organic Vegetables and Fruits; Charity Book Fair or Charity Sales of Eco-friendly soap or cleansers.

### 🍃 Charity Plant Sale

Charity Plant Sale is to raise funds by selling potted plants. CYC schools can either plant the flower seedlings provided by the Community Chest or produce paper/silk flowers for charity sale. This activity will be co-ordinated by Community Youth Club District Committees.
