

2016/2017 Walks for Millions

To benefit “Family and Child Welfare Services” supported by The Community Chest of Hong Kong

In the year 2016/2017, The Community Chest of Hong Kong will allocate over **HK\$35.5 million** to support **24** member social welfare agencies which provide “Family and Child Welfare Services”. The ultimate goals of “Family and Child Welfare Services” are to maintain and strengthen family bonding, to encourage mutual support relationship among family members; to help them prevent and cope with individual or family problems; as well as to provide services for their unmet needs.

Sub-services	Family Support Services	Child Care & Child Protection Services	Services for Women and Men
Objectives	To foster and reinforce caring relationship among family members; to help prevent and cope with personal and family problems; to provide support services and establish support networks to single-parent families, victims of family violence and deprived families.	To provide an optimum environment for children’s development and to provide assistance to neglected children. To raise public awareness towards prevention of child abuse and provision for remedial services.	To promote women’s and men’s personal growth and development; to encourage their social participation, enhance their self-awareness and explore their potentials.
